**Date of Issue:** June 24, 2024

**Section 2: Hazard Identification**

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| <b>Hazard Classification:</b>    | <b>Not classified as hazardous according to OSHA Hazard Communication Standard (29 CFR 1910.1200).</b> |
| <b>Signal Word:</b>              | None                                                                                                   |
| <b>Hazard Statements:</b>        | None                                                                                                   |
| <b>Precautionary Statements:</b> |                                                                                                        |
| <b>- Prevention:</b>             | No specific prevention measures required.                                                              |
| <b>- Response:</b>               | No specific response measures required.                                                                |
| <b>- Storage:</b>                | Store in a cool, dry place away from direct sunlight.                                                  |
| <b>- Disposal:</b>               | Dispose of in accordance with local, regional, national, and international regulations.                |

**Section 3: Composition/Information on Ingredients**

|                         |                                                   |
|-------------------------|---------------------------------------------------|
| <b>Ingredient Name:</b> | <b>Kokum Butter (Garcinia Indica Seed Butter)</b> |
| <b>CAS Number:</b>      | 8016-19-3                                         |
|                         |                                                   |

|                         |                                                   |
|-------------------------|---------------------------------------------------|
| <b>Ingredient Name:</b> | <b>Kokum Butter (Garcinia Indica Seed Butter)</b> |
| <b>Concentration:</b>   | 100%                                              |

---

#### Section 4: First-Aid Measures

|                      |                                                                                       |
|----------------------|---------------------------------------------------------------------------------------|
| <b>Inhalation:</b>   | <b>Not applicable; no known adverse effects.</b>                                      |
| <b>Skin Contact:</b> | No adverse effects expected. If irritation occurs, wash with soap and water.          |
| <b>Eye Contact:</b>  | Rinse with water for several minutes. If irritation persists, seek medical attention. |
| <b>Ingestion:</b>    | Non-toxic. If large amounts are ingested, seek medical attention.                     |

---

#### Section 5: Fire-Fighting Measures

|                                               |                                                                       |
|-----------------------------------------------|-----------------------------------------------------------------------|
| <b>Suitable Extinguishing Media:</b>          | <b>Use water spray, foam, dry chemical, or carbon dioxide.</b>        |
| <b>Unsuitable Extinguishing Media:</b>        | None known.                                                           |
| <b>Specific Hazards:</b>                      | None known.                                                           |
| <b>Protective Equipment for Firefighters:</b> | Standard protective equipment and self-contained breathing apparatus. |

---

#### Section 6: Accidental Release Measures

|                                   |                                                                        |
|-----------------------------------|------------------------------------------------------------------------|
| <b>Personal Precautions:</b>      | <b>No special precautions required.</b>                                |
| <b>Environmental Precautions:</b> | Prevent entry into waterways, sewers, basements, or confined areas.    |
| <b>Methods for Cleaning Up:</b>   | Collect spilled material and place in suitable container for disposal. |

---

#### Section 7: Handling and Storage

|                  |                                                                                                      |
|------------------|------------------------------------------------------------------------------------------------------|
| <b>Handling:</b> | <b>No special handling required.</b>                                                                 |
| <b>Storage:</b>  | Store in a cool, dry place away from direct sunlight. Keep container tightly closed when not in use. |

---

#### Section 8: Exposure Controls/Personal Protection

|                                             |                                        |
|---------------------------------------------|----------------------------------------|
| <b>Exposure Limits:</b>                     | <b>No exposure limits established.</b> |
| <b>Engineering Controls:</b>                | No specific controls required.         |
| <b>Personal Protective Equipment (PPE):</b> |                                        |
| - <b>Eye Protection:</b>                    | Not required under normal conditions.  |
| - <b>Skin Protection:</b>                   | Not required under normal conditions.  |
| - <b>Respiratory Protection:</b>            | Not required under normal conditions.  |

---

## Section 9: Physical and Chemical Properties

|                                                 |                                       |
|-------------------------------------------------|---------------------------------------|
| <b>Appearance:</b>                              | <b>Off-white to pale yellow solid</b> |
| <b>Odor:</b>                                    | Mild, characteristic                  |
| <b>Odor Threshold:</b>                          | Not applicable                        |
| <b>pH:</b>                                      | Not applicable                        |
| <b>Melting Point:</b>                           | 38-40°C (100.4-104°F)                 |
| <b>Boiling Point:</b>                           | Not determined                        |
| <b>Flash Point:</b>                             | > 250°C (482°F)                       |
| <b>Evaporation Rate:</b>                        | Not applicable                        |
| <b>Flammability:</b>                            | Non-flammable                         |
| <b>Upper/Lower Flammability Limits:</b>         | Not applicable                        |
| <b>Vapor Pressure:</b>                          | Not applicable                        |
| <b>Vapor Density:</b>                           | Not applicable                        |
| <b>Relative Density:</b>                        | 0.95-0.98                             |
| <b>Solubility:</b>                              | Insoluble in water                    |
| <b>Partition Coefficient (n-octanol/water):</b> | Not determined                        |
| <b>Auto-ignition Temperature:</b>               | Not determined                        |
| <b>Decomposition Temperature:</b>               | Not determined                        |
| <b>Viscosity:</b>                               | Not applicable                        |

---

## Section 10: Stability and Reactivity

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| <b>Reactivity:</b>                         | <b>No hazardous reactions known.</b> |
| <b>Chemical Stability:</b>                 | Stable under normal conditions.      |
| <b>Possibility of Hazardous Reactions:</b> | None known.                          |
| <b>Conditions to Avoid:</b>                | Excessive heat, direct sunlight.     |
| <b>Incompatible Materials:</b>             | None known.                          |

|                                          |                                      |
|------------------------------------------|--------------------------------------|
| <b>Reactivity:</b>                       | <b>No hazardous reactions known.</b> |
| <b>Hazardous Decomposition Products:</b> | None known.                          |

---

### Section 11: Toxicological Information

| <b>Acute Toxicity:</b>                    | <b>Non-toxic</b>           |
|-------------------------------------------|----------------------------|
| <b>Skin Corrosion/Irritation:</b>         | No irritation expected.    |
| <b>Serious Eye Damage/Irritation:</b>     | No irritation expected.    |
| <b>Respiratory or Skin Sensitization:</b> | Not a sensitizer.          |
| <b>Germ Cell Mutagenicity:</b>            | Not mutagenic.             |
| <b>Carcinogenicity:</b>                   | Not carcinogenic.          |
| <b>Reproductive Toxicity:</b>             | Not toxic to reproduction. |
| <b>STOT-Single Exposure:</b>              | Not applicable.            |
| <b>STOT-Repeated Exposure:</b>            | Not applicable.            |
| <b>Aspiration Hazard:</b>                 | Not applicable.            |

---

### Section 12: Ecological Information

|                                       |                                     |
|---------------------------------------|-------------------------------------|
| <b>Ecotoxicity:</b>                   | <b>Not expected to be ecotoxic.</b> |
| <b>Persistence and Degradability:</b> | Readily biodegradable.              |
| <b>Bioaccumulative Potential:</b>     | Not expected to bioaccumulate.      |
| <b>Mobility in Soil:</b>              | Not determined.                     |
| <b>Other Adverse Effects:</b>         | None known.                         |

---

### Section 13: Disposal Considerations

| **Waste Treatment Methods:** | Dispose of in accordance with local, regional, national, and international regulations. |

---

### Section 14: Transport Information

|                                    |                       |
|------------------------------------|-----------------------|
| <b>UN Number:</b>                  | <b>Not applicable</b> |
| <b>UN Proper Shipping Name:</b>    | Not applicable        |
| <b>Transport Hazard Class(es):</b> | Not applicable        |

---

**Section 14: Transport Information**

|                                    |                       |
|------------------------------------|-----------------------|
| <b>UN Number:</b>                  | <b>Not applicable</b> |
| <b>UN Proper Shipping Name:</b>    | Not applicable        |
| <b>Transport Hazard Class(es):</b> | Not applicable        |

|                                                                                  |                       |
|----------------------------------------------------------------------------------|-----------------------|
| <b>UN Number:</b>                                                                | <b>Not applicable</b> |
| <b>Packing Group:</b>                                                            | Not applicable        |
| <b>Environmental Hazards:</b>                                                    | Not applicable        |
| <b>Special Precautions for User:</b>                                             | None                  |
| <b>Transport in Bulk According to Annex II of MARPOL 73/78 and the IBC Code:</b> | Not applicable        |

---

**Section 15: Regulatory Information**

|                                     |                                                             |
|-------------------------------------|-------------------------------------------------------------|
| <b>US Federal Regulations:</b>      |                                                             |
| - <b>TSCA:</b>                      | Listed on the TSCA inventory.                               |
| - <b>CERCLA:</b>                    | Not listed.                                                 |
| - <b>SARA 302/304:</b>              | Not listed.                                                 |
| - <b>SARA 311/312:</b>              | Not listed.                                                 |
| - <b>SARA 313:</b>                  | Not listed.                                                 |
| <b>State Regulations:</b>           |                                                             |
| - <b>California Proposition 65:</b> | This product does not contain any Proposition 65 chemicals. |
